出版时间:2008-9-9

装帧:Paperback

isbn:9780393328196

Michel Foucault was a philosopher of extraordinary talent, political activist, social theorist, cultural critic, and creative historian. He irreversibly shaped the way we think today about such controversial issues as power, sexuality, madness, and criminality. Johanna Oksala explores the conceptual tools that Foucault gave us for constructing new forms of thinking as well as for smashing old certainties. She offers a lucid account of him as a thinker whose persistent aim was to challenge the self-evidence and necessity of our current experiences, practices, and institutions by showing their historical development and, therefore, contingency. Extracts are taken from the whole range of Foucault's writings: his books, essays, lectures, and interviews including the major works *History of Madness*, *The Order of Things*, *Discipline and Punish*, and *The History of Sexuality*.

评论

逻辑清楚，语言简明，深入浅出，非常好的福柯入门书

再次推荐这本foucault入门书. 我好喜欢foucault对艺术的见解, 他说, 为什么当今艺术只表示物品而不是人生呢? 顿时想起风骚wilde说的: "one should either be a work of art or wear a work of art."

very brief indeed, but to the point?
