Tony Huegel's glove-box-sized Byways guides have been leading drivers to hidden surprises along unpaved backroads for more than a decade. From day trips to weekend getaways, the 51 tours in this trail-tested adventure guide take explorers from sky-scraping peaks overlooking Lake Tahoe to the cool forests of the southern Sierra and the pale washes of the Mojave Desert. Many are near secluded campsites and can be jumping-off points for hiking and mountain biking. All follow established roads through some of the wildest country in the West. With tours for drivers of every experience level, the fully updated Sierra Nevada Byways covers the entire Sierra from Lake Tahoe to Sequoia National Forest as well as the Inyo and White Mountains, with tours in Eldorado, Humboldt-Toiyabe, Inyo, Plumas, Sierra, Stanislaus, and Tahoe national forests. Detailed descriptions are augmented with full-page photographs and two-color maps of each trip. Trail-tested, how-to tips assist beginning and experienced backcountry drivers alike. Each tour includes mile-by-mile driving directions to such attractions as historic sites, prehistoric rock art, and head-spinning overlooks. The Byways series has been completely redesigned with a field-friendly spiral binding and updated to include many GPS waypoints for each tour.
