isbn:9780763746865

The Quick Look Nursing Series helps students gain basic understanding of core concepts in an easy-to-read format. The concise presentation of information provides essential content and offers a practical alternative to lengthier texts without sacrificing critical information. The updated Second Edition describes how pain commonly manifests itself and gives pertinent information on how to assess for pain in different patient populations using learning features and study questions essential for the NCLEX!
