From Anna Quindlen, acclaimed author of *Blessings*, *Black and Blue*, and *One True Thing*, a superb novel about two sisters, the true meaning of success, and the qualities in life that matter most.

It's an otherwise ordinary Monday when Meghan Fitzmaurice's perfect life hits a wall. A household name as the host of *Rise and Shine*, the country's highest-rated morning talk show, Meghan cuts to a commercial break—but not before she mutters two forbidden words into her open mike.

In an instant, it's the end of an era, not only for Meghan, who is unaccustomed to dealing with adversity, but also for her younger sister, Bridget, a social worker in the Bronx who has always lived in Meghan's long shadow. The effect of Meghan's on-air truth telling reverberates through both their lives, affecting Meghan's son, husband, friends, and fans, as well as Bridget's perception of her sister, their complex childhood, and herself. What follows is a story about how, in very different ways, the Fitzmaurice women adapt, survive, and manage to bring the whole teeming world of New York to heel by dint of their smart mouths, quick wits, and the powerful connection between them that even the worst tragedy cannot shatter.
