The new-look "Berlitz Deluxe Language Pack" is the complete language course; designed to take you from beginner to competent user of the language, at a pace that suits you. Through an exciting range of learning materials supplied in this pack you will

gain invaluable skills in listening, speaking, reading and writing; altogether leaving you feeling confident in your chosen language. Included in the pack are two course books; containing focussed grammar points, language learning tips and review sections, six audio CDs; offering interactive and engaging practice dialogues, plus 100 quiz cards for a fun and interactive way to test yourself and others on the language and culture. There is also a free download available to complement the materials supplied in the pack.
