Tonya's left the unforgiving business of stripping to become a hair-stylist, but loses her job when word spreads of her shady past. She soon finds herself becoming a stripper again, yet this time she's determined that things are going to be different. Her new business running underground sex parties gets her rubbing shoulders with athletes, rappers and celebrities - including her ex, Q. But Q's baby mama is out of jail and ready to raise hell - she's got Tonya in her sights but Tonya's not going down without a fight.
