Feeling afraid after a night of watching scary movies with Patrick, SpongeBob falls asleep--but suddenly finds that they are being attacked by an angry giant yellow sponge. It's Spongezilla! SpongeBob comes up with the idea that the monster will be appeased if they feed it anything it likes, like Krabby Patties. But there are only so many Krabby Patties that SpongeBob and Patrick can feed it. How will they ever stop Spongezilla from destroying the city? But look out! Spongezilla leaps right off the pages with 3-D art throughout the story. The book includes 3-D glasses that bring the characters to life, as well as an original 3-D poster!
