If you love a good story, then look no further. Oxford Children's Classics bring together the most unforgettable stories ever told. They're books to treasure and return to again and again. From his simple beginnings under the shady trees in the meadow, Black Beauty's life takes many twists and turns - from a riding horse on a country estate to a cab horse on the busy streets of London. Over time he has many owners, some of whom treat him cruelly, but throughout it all he keeps his sweet temper and fine spirit.
