Everyone in this family is eager to share books and have the newest member's affection and attention. But all kidding aside, this family knows the bond that is created when reading aloud with someone you love. When Daddy closed the last page, he smiled at me for hours and said, 'Say Daddy Say Daddy ' He hoped Daddy would be my first word But wait. Did we hear correctly? 'Book' I said. 'Book ' Educator Michael Shoulders, who has devoted his career and life to spreading the word that "reading is magic," offers a gentle tale reinforcing the bonding power of a good book and the importance of developing lifelong reading

skills.
