From the author of *V is for Viking: A Minnesota Alphabet* and *North Star Numbers: A Minnesota Number Book* comes yet another reason to enjoy learning about this north woods state. Kathy-jo Wargin's poetic puzzles are perfectly paired with dual photos of Minnesota scenery and landmarks. Taken by Great Lakes photographer Ed Wargin, one in each pair of photos has undergone slight changes. Can you spot the differences? This visual treat is a charming way to acquaint beginning readers with the great state of Minnesota and its wonders.
