In a freshly-updated third edition, this invaluable resource takes an in-depth look into the new American dream - running one's own e-business from home. Starting with a guide to defining what is most important - time with family, a flexible schedule, financial freedom, and risk levels - this study moves into an investigation of how online business works, followed by profiles of 101 proven ideas guaranteed to fuel entrepreneurial thinking. From getting started in online and offline promotion, this handbook is sure to accommodate all needs and interests. The guidebook also includes a password that provides access to the companion website, offering the latest internet business news, expanded information, and additional online resources.
