This Encyclopedia gathers together the people who touched the lives of the most famous band of all time. Friends, families, enemies, lovers and wives, producers and promoters, writers, journalists, and the authors who fed the machine that took the Beatles to the pinnacle of modern art. This is a comprehensive up-to-date encyclopedia that collects the Beatles recordings and awards, concerts, TV appearances and movies all in one place using an easy A to Z format. The Encyclopedia is a concise presentation of the only band that had the power to change the world.
