Maybe it's time for me to leave this crazy town, hightail it back to Minneapolis, and become a cat-collecting, fist-shaking, asexual English professor...Furious after being stood up by local hottie Johnny Leeson, Mira decides to abandon Battle Lake, Minnesota, where the women are churchgoers, the men like to hunt, and the body count is above average. But when a cheerleader bites the dust, Mira loiters long enough to snoop. Mira is highly suspicious of the New Millennium Bible Camp, a disturbing place with a Stepford Wives meets Hee Haw vibe. Before ditching Battle Lake, Mira is hell-bent on confronting her own demons and catching a killer.
