Praise for "A Not-So-Distant Horror" "[A] remarkable book."--Noam Chomsky Told through the life story of a young man who perished in the California desert, "Dying to Live" is a compelling account of US immigration/border enforcement and the rapidly growing death toll among migrants. Stunning photos by Mizue Aizeki complement the text. Joseph Nevins authored "Operation Gatekeeper: The Rise of the Illegal Alien and the Making of the U.S.-Mexico Boundary" (Routledge, 2002), and "A Not-So-Distant Horror" (Cornell, 2005). His writings have appeared in the "Boston Review," "The Christian Science Monitor," and the "International Herald Tribune."
