Are you living a successful life? Do you have a vision? Do you enjoy your work? Are your relationships thriving? "Success Intelligence" examines how to enjoy real, soulful success while living in a manic, busy and hyped-up world. Robert Holden is the creator of a unique program - called Success Intelligence - used worldwide by artists and writers, entrepreneurs and leaders; and also global companies and brands such as Dove, the Body Shop, the BBC and Virgin. This landmark book is an invaluable guide to genuine success and happiness. Key themes include: authentic success - create a vision in your life, work and relationships that doesn't get lost in a sick hurry; the real more - identify what the real you really wants and discover the real purpose of your life; your success contract - free your mind, liberate your talent and attract more effortless success; unblock yourself - conduct a Busyness Audit, give up Destination Addiction, release dysfunctional independence and overcome your fear of success; and, follow your joy - learn why happiness is the key to greater inspiration, creativity and meaningful success.
