Sarah Armstrong know what it's like to be in a sticky situation. As a single mother and one of the few female Rangers in Texas history, she's had to work twice as hard to be the best law enforcement official in the city. But when one of Texas' wealthiest businessmen is found murdered along with this alleged mistress, their bodies posed in grotesque ways, she knows this is the deadliest case of her career. And as she begins to close in on a killer nobody but her believes in, Sarah realises that his madman might just make her the next target.
