Six divinely cute collections for the luckiest babies * Themes for both boys and girls: sea creatures, animals, butterflies, hearts, more * Beginner to intermediate projects, great for family, gifts, or fundraisers Ooo's an ickle bickle baby? Ooo's the tweetest

widdle baby? Your baby, of course, and when you want to make something special for the world's sweetest baby, you'll want to choose one of these six complete collections of nursery accessories for infants and toddlers! Each set includes full directions and plans for crib quilts, wall quilts, bibs, drag-around blankets, soft pictures, pillows, and growth charts. And whether you choose sea creatures or jungle animals, trucks and trains or bugs and butterflies, moons or hearts, or any of the other adorable themes, these patterns are a pleasure to make for beginners or intermediate quilters. Put together a whole set and surprise your favorite tweet widdle baby, or work with friends to put together a gift or the best fundraiser your group ever had!
