• Step-by-step instructions for beadweaving, stringing, wirework, and more • More than 75 stunning projects • Editor-tested, beader-approved! Exciting new beadweaving techniques, creative stringing ideas, and playful wirework projects.

That's what readers have come to expect from Bead&Button magazine, and that's what they'll find in Creative Beading, Vol. 3, the annual bumper book of the best projects from a year of this favorite beading magazine. More than 75 jewelry projects showcase seed beads, gemstones, glass, pearls, fibers, and more, in projects ranging from a peyote stitch necklace to a simple strung bracelet, from a crocheted collar to a wirework brooch. A complete basics section makes this collection a must-have for every beader.
