The source book for anyone who lives in London or who thinks they might like to try life in the capital. Borough by borough, "Time Out" takes you through the London that tourists don't see. Each area is dissected, by way of facts and figures (council tax, transport, schools, house prices, rents and so on) and by amenities (parks, markets, sports facilities, arts venues, play areas). The best restaurants, bars and shops will be featured, from local delis and cafes to buzzing restaurants and chi-chi boutiques. And crammed with recreational ideas: from Sunday afternoon walks to entertaining friends and relatives during their stay.
