The only book currently available that comprehensively deals with the realities of restoring a VW Bay Window Bus. With over 1500 mainly colour photos, it guides the reader clearly through body and chassis repairs, paint work, interior re-trimming and

most common mechanical problems. The skills, techniques and even the tools needed to complete these tasks are explained in jargon free language, to ensure that even those enthusiasts with no previous restoration experience will feel confident in sorting out their Bus. An indispensable and unique guide for lovers of these fast appreciating classics.
