PURE is now available in this elegant gift-sized 5" x 6". Four years in the making, Anne Geddes' PURE, with eyes tightly shut, in wrinkly new skin, and unaffected by the world around them, newborns are captured in their purest form as Geddes explains, "to emphasize the fact that they are vulnerable, fragile, and very precious human beings." "Real women in the full bloom of pregnancy radiate serenity and promise. Mothers enfold babies in their arms - highlighting the beautiful bond between them and revealing our shared humanity."
