Dad's Pregnant Too is a first-of-its-kind guide written for expectant fathers, but also

intended for couples. From the first positive test, to the first time seducing your pregnant partner, to the first push, to the first week home following the birth, Dad's Pregnant Too exposes and explores everything an expectant dad needs to know (but no one ever tells him). Dad's Pregnant Too is the most comprehensive guide to help expectant fathers understand their partners, themselves, and what's really going on inside her belly. Medically reviewed Includes pictures of baby's development
