In this edition in the popular series, the Rails-to-Trails Conservancy presents the best of the Great Lakes rail-trails, home to the most rail-trails in the country. With 113 rural, suburban, and urban trails threading through nearly 2300 miles, Rail-Trails Midwest: Great Lakes covers Illinois, Indiana, Michigan, Ohio, and Wisconsin. Many rail-trails are paved and run through the most popular parts of town, such as the 61-mile Illinois Prairie Path, which links Chicago-area suburbs. Others take you back in time for a look at regional history, like Ohio's 11-mile Holmes County Trail. The Midwest has thousands of miles of rail corridor that have been turned into 360 rail-trails in the Great Lakes alone. Every trip has a detailed map that includes start and end points, trailhead, parking, restroom facilities, and other amenities. Many of the level rail-trails are suitable for walking, jogging, bicycling, inline skating, wheelchairs, and horses.
