Hiking from Here to WOW: Utah Canyon Country guides hikers to the most compelling destinations in southern Utah's spectacular canyon country. This second book in the new full-color WOW series covers 90 trails that epitomize the "wonder of wilderness." In their years of their research, the authors hiked over 1600 miles through Zion, Bryce, Escalante-Grand Staircase, Glen Canyon, Grand Gulch, Cedar Mesa, Canyonlands, Moab, Arches, Capitol Reef, and the San Rafael Swell. They took more than 2000 photos and hundreds of pages of field notes. Then they culled their list of favorite hikes down to 90--each selected for its power to incite awe. Coverage ranges from short dayhikes to multi-day backpacking adventures. The book describes precisely where to find the redrock cliffs, slickrock domes, soaring arches, and ancient ruins that make southern Utah unique. It offers the boot-tested advice you need to create rewarding adventures. And it does so in a refreshing style--honest, literate, entertaining, and inspiring. The book's full-color interior features 220 striking photographs, engaging text, and a trail map for each dayhike and backpack trip.
