IT’ S A SNOWY December in Washington, D.C., and Dink, Josh, and Ruth Rose are there to see the sights. While they’ re admiring the White House, they meet the president’ s stepdaughter, KC, and her friend, Marshall. Soon, in the confusion of all the people decorating the White House for Christmas, the president’ s dog, Natasha, goes missing! The kids set out to find her, but it’ s not going to be easy. The area is still crowded with decorators, it’ s getting dark, and all five of them risk getting caught in a monster snowstorm!--From the Trade Paperback edition.
