JESSICA WAKEFIELD DEMANDS attention in any crowd, from every boy. After obsessing over him for weeks, she finally lands the perfect guy: Bruce Patman. And she falls hard and fast. There's nothing she won't do for him. . . .But Elizabeth soon notices a change in her twin. Jessica's usual charm,determination, and attitude are gone. She's a ghost of her old self. And Liz wonders just how far her sister will go for love.
