Another sparkling gift book from The New York Times bestselling author of A PRINCESS PRIMER . For anyone who has ever wondered if mermaids exist, here is a stunning oversize novelty book that reveals everything about their secret world, from how to recognize and find them to tips about their style and preferences. Stories about mermaids past and present are interwoven with activities such as selecting the perfect pet for a mermaid and touring a mermaid castle. Breathtaking watercolor paintings of

mermaids, marine animals, and underwater landscapes offer plenty of details to discover. This beautiful gift book offers interactive fun on every page, leading up to a glittery surprise on the final spread.
