"You can be sitting in the train working a puzzle but it can take you far away from the everyday. Before you know it you're at your stop or about to pass it. It's not like you were even in the train. It's something different, something removed from the ordinary."
--Maki Kaji, "The Japanese Times" This collection offers traditional word searches, along with a popular variation called Word Roundup, which gives only clues to the words hidden within the puzzle; the actual words are for solvers to figure out.
