MONSTER weaves the riveting story of brilliant Dr. Kenzo Tenma, a famous surgeon with a promising career at a leading hospital. Tenma risks his reputation and promising career to save the life of a critically wounded young boy. Unbeknownst to him, this child is destined for a terrible fate. Conspiracies, serial murders, and a scathing depiction of the underbelly of hospital politics are all masterfully woven together in this compelling manga thriller. Tenma is lying low in Frankfurt, but his brief respite is doomed to be short-lived. Milan, one of Tenma's new friends, is planning to assassinate a man with deep ties to "Red Rose Mansion." Can Tenma dissuade him from this drastic line of action? Also, a seemingly unrelated string of murders by various serial killers hints at a sinister connection with Johan. How many more people need to die before the monster's work is complete?
