"Unleashing Genius" takes you into the heart of how you actually unleash the genius that creates successful ideas and frameworks. From Paul's 25 years of experience coaching CEO's and Executive leaders he shares the foundational elements of "The Secret" to unleashing individual genius and team wisdom. Stephen Covey, in an interview with Forbes.com said, "Once you unleash the creative energy inside of people it affects every aspect of their life." Through reading "Unleashing Genius" you will find out how to actually discover and unleash your genius, which will create numerous frameworks and models that may transform your business and your life.
