Here to ensure that users start taking advantage of Final Cut Express 4's powerful editing capabilities immediately is a thoroughly updated task-based guide to the program from best-selling author and digital video expert Lisa Brenneis. Users who are

eager to make effective, compelling videos but don't want to invest heavily in training or equipment will welcome Lisa's simple step-by-step instructions, strong visual approach, and sound professional advice. In short order, they'll find themselves editing video; applying special effects and transitions; mastering the program's compositing, titling, and audio tools; and outputting their finished work. Readers will also learn about all that's new in this major upgrade: importing iMovie 08 projects, open format Timeline, built-in AVCHD and more.
