Gitman's proven Learning Goal System-a hallmark feature of Principles of Managerial Finance, Brief-weaves pedagogy into concepts and practice, providing students with a road map to guide them through the text and supplementary tools. The Fifth Edition

now includes an emphasis on personal finance issues to add currency and relevance to the already cohesive learning framework. The Brief edition provides an alternative solution for instructors who are especially pressed for time. Just as thorough and effective as Principles of Managerial Finance, the Brief edition introduces a streamlined version of the fundamental concepts, tools, techniques, and practices.
