This first edition of Lippincott's Content Review for NCLEX-RN® is a perfect complement to Lippincott's Q&A Review for NCLEX-RN®, Ninth Edition , a top-selling NCLEX-RN® review book. This content review book reflects the most updated (2007)

NCLEX-RN® test plan, and follows a similar organizational structure to the Q&A review. The text includes more than 1,500 practice questions, many of which are alternate-format questions. A free back-of-book CD-ROM contains additional review questions to complement the text questions.
