The latest in the GameMastery line of Flip-Mats, Flip-Mat: Cathedral features a large temple with one side dedicated to the forces of good and the reverse honoring evil. The map also features private shrines, the office of the temple's chief cleric, and plenty of other adventure sites. GameMastery Flip-Mats are designed to make your game portable and affordable. They're crafted of durable, laminated card stock and can handle dry erase, wet erase, and even permanent marker. (Permanent marker is erasable on a Flip-Mat)
