The heroes return to Korvosa to find their home city in a stranglehold of martial law and cruelty - and that Queen Ileosa has neared her goal of achieving immortality! With

the holy weapon Seriththial in their hands, they must confront old enemies and explore ancient Thassilonian ruins if they hope to save the people of Korvosa from fueling a mad queen's lust for immortality. This installment of Pathfinder closes out the Curse of the Crimson Throne Adventure Path, and also features a discussion of Varisia's largest dungeon - the untold vaults below Castle Korvosa, full details on the notorious dragon behind the Curse of the Crimson Throne, and many new monsters to vex and plague high-level heroes.
