Spend Christmas Day with Maisy! Little fans are invited to join in the fun as the famous mouse celebrates with her friends.

Hooray! It's Christmas Day! As always, Maisy's friends come to visit, and there are presents for everyone. Charley thinks his toy rocket rocks, Eddie takes off on enormous roller skates, and art supplies keep Cyril and Tallulah happy. But what gift did Maisy get? This festive board book, with its bright colors and bold shapes, is just the right treat to slip under a tree.
