Lift the flaps to find the surprising places playmates are hiding in this light-hearted follow-up from an award-winning team.

It's Sunday morning, but where is everybody? It's time to play! Children will love looking under the flaps to discover kittens in the laundry basket, puppies in the cat's bed, baby brothers in the dog's bed, and the whole crew aboard the parents' bed, transformed into an overcrowded sailing ship. Nigel Gray and Bob Graham bring back the cast of MY DOG, MY CAT, MY MAMA, AND ME! to show the fun that follows when little ones (of any species) join the family.
