No one could have thought up a more amazing character than the living, breathing Benjamin Franklin. He was everything from a "soapmaker, candle dipper, and printer" to a "postmaster, political activist, community reformer, revolutionary, statesman,

international diplomat, and first great citizen of a nation which he, as much or more than anyone, helped to create."

Acclaimed children's author-illustrator Cheryl Harness through her true-to-life paintings and storytelling-style narrative, along with a generous sampling of Franklin's own words, lets you "walk in his shoes" as you discover just how truly remarkable Benjamin Franklin was.
