This remarkable DVD/Book set from internationally known Fu-Tung Cheng is ideal for homeowners and contractors. Fu-Tung Cheng is known internationally for his sophisticated and innovative concrete designs for the home market, and in seven simple steps, he takes the reader through the process of designing, forming, pouring,

finishing and installing a concrete countertop that will look great and survive the test of time. Explaining the process like a chef explaining a recipe, Cheng shows that even an amateur with the simplest tools can produce fantastic results the very first time.
