Yes have now been on the rock circuit for almost 40 years. Jon Anderson, Steve Howe, Rick Wakeman, Chris Squire and Bill Bruford are just some of the star names who helped make the band one of the greatest-ever names in classic rock. Their turbulent story spans the early days of pub and club gigs, international supergroup status in the heyday of rock, and various line-ups since. An updated edition of the bestselling biography of Yes to include the historic return of Rick Wakeman to the classic Yes line-up and their ongoing highly successful tour of America.
