Along the border of southern Arizona and northern Mexico, a close-knit group of Anglo and Hispanic families struggle to keep their ranches alive amidst the depredations of drug lords and smugglers. Here, age-old values collide with gangs of hardened border criminals in a raw tale of action, adventure, and justice. J. P. S. Brown opens a window onto a part of the world that few have seen and even fewer have understood, offering a view of the world of cattle ranching in an area where homes are still without electricity or plumbing, where ranches are reachable only by plane or horseback, and where neighbors are family or deadly foes.
