Paul Norton and Tracy Hall are an ordinary couple, with an extraordinary story to tell. They are psychics and mediums. In *The Spirit of Love* they reveal their own journeys as mediums and share some of the amazing communications they have been privileged to convey. Paul Norton was just 19 when he realised that he was in touch with the spirit world. His father had been trying to connect with him before he committed suicide. Soon after, he started to work as a professional medium, touring theatres and giving private readings. Disillusioned that her spirit friends had not warned her that her brother was about to commit suicide, grieving medium Tracy Hall decided that she no longer wanted to use her own gifts to help others. Months later, she went to see Paul Norton at a spiritualist meeting. Through Paul, Tracy's brother told her not to give up her work and that help was on its way. Soon after, Paul invited Tracy to work with him. Together they embarked on a journey of spiritual discovery that also led to a blossoming relationship. *The Spirit of Love* shares the moving story of how fate brought them together, and is full of amazing and uplifting stories about their work.
