I have reached my breaking point. And now I will not, cannot be stopped. With the Soul Eater on the verge of god status, it's time for me to take a final stand, even if it means losing everything I love. Even if it means losing my life. I've got plenty of power on my side, and some I didn't know I could count on in the first place. But it's nothing compared to the army of the undead the Soul Eater is building up. And time is running out. They say that good always triumphs over evil. I hope that's true. Because the odds aren't in our favor, and the fate of the world is in our hands.
