A must-have for every household

The American Bar Association Complete Home Legal Guide is the go-to legal reference for every home. This completely revised and updated edition now includes easy-to-digest, comprehensive legal information every household needs. In addition to tips on real estate, healthcare, home ownership, retirement and much more, there are new useful charts and graphs, insightful personal stories, and a new chapter on the growing specialty of ‘disabled’ or ‘special needs’ law that will be helpful to an even larger audience.
