A perfect stocking filler, Secret Santa gift, or even a satisfyingly substantial replacement of a typical greeting card, this jolly little book is jam-packed with Christmas cheer. A chunky, sparkling collection of festive images and Christmassy quotes, "We Wish You a Merry Christmas" features a wide range of festive themed art including reproduction of paintings by Picasso, vintage magazine covers, international postcards, stills from classic Xmas movies, and much more. Providing the ideal complement to the images are heartfelt quotes from John Lennon, the time-honoured Christmas classic "Twas the Night Before Christmas", and a host of other spirited sources from Christmas Past. Anyone who loves the Christmas spirit will delight in the cheerful images and sentiments of this charming compendium.
