Playing, exploring, sleeping and looking cute -- it's all in a day's work for a playful puppy. But what's your four-legged friend really up to? Full of fascinating facts and fabulous photographs, The Secret Life of Puppies is an adorable treat for all animal-lovers. Have you ever wondered What are a puppy's whiskers for or how clever is my pup and why does it need to sleep so much? This charming giftbook, with its adorable photographs by Mark Read, is perfect to dip into whenever your puppy's behaviour leaves you utterly bemused. Full of quirky and surprising facts from renowned vet and broadcaster, Dr David Taylor, this is a book you'll want to pick up again and again.
