Playing, exploring, sleeping and looking cute -- it's all in a day's work for a curious kitten. But what's your playful pet really thinking? Full of fascinating facts and fabulous photographs, *The Secret Life of Kittens* is an adorable treat for all animal-lovers. Have you ever wondered when a kitten first open its eyes or how does it learn to hunt and why does it need to sleep so much? This charming giftbook, with its adorable photographs by Mark Read, is perfect to dip into whenever your kitten's behaviour leaves you utterly bemused. Full of quirky and surprising facts from renowned vet and broadcaster, Dr David Taylor, this is a book you'll want to pick up again and again.
