Our most popular children's book, now with 1.2 million copies in print. Praised by parents, who say it's especially valuable when getting children to talk about the day's triumphs and troubles, and by professionals, who use it in pediatric clinics and with the developmentally disabled and emotionally troubled. Janan Cain's kids ooze anger and bounce with excitement as they teach the words for emotions. This award-winning, full-color book comes in two editions.
