From finding a niche in the market and organising yourself and your office, up to the point where your business is ripe for expansion overseas, this practical guide will tell you how to start up and run your own business from anywhere in the world. "Starting a Business from Home" will tell you everything you need to know about running a profitable and successful business from your own home with particular emphasis on opportunities provided by the internet. Strong on practical advice, and including an important section on building a website for your business, this book puts you in control of your company as it grows, ensuring a stable and structured progress towards a profitable and sustainable business.
