Developing a Professional Teaching Portfolio: A Guide for Success, Third Edition, offers practical, comprehensive guidelines for developing standards-based paper or electronic professional teaching portfolios. This text leads future and in-service teachers through the rigorous process of documenting the qualities of good teaching:

sound planning and preparation, able classroom management, attention to quality instruction, and continuous professional growth. Real-world examples accompany expert advice on both content and presentation, encouraging the creation of an effective portfolio that correlates evidence with national and state standards.
